

**NORTH EASTERN BASEBALL ASSOCIATION – DISPENSATION FORM
ORIGINAL SENT TO NEBA, COPY HELD BY CLUB**

This form must be used where dispensation is being sought for players to play in higher or lower grades. Section 1 must be completed by the players club/team coach. If the player is less than 18 years of age, then their parent/guardian must complete and sign section 2. Over the age of 18, then the player may complete section 2 themselves.

(You must refer to bylaws 74.3 and 4 and 88.2 before seeking dispensation)

You need to stipulate for which grade/s dispensation is being sought. If approved, playing restrictions may be applied regardless of playing up or down. If dispensation is approved for B grade only, then to play A grade, the player must be re-assessed by the Association President or Vice President after having played 21 completed innings in B grade. (Proof required.)
